*At Home*, our newest fabric line, defines our Midwestern state of mind. Barb and I both love being in our own homes, surrounded by family and friends, being able to sit in our favorite chairs. Perhaps Jane Austen said it best when she wrote, "There is nothing like staying at home for real comfort."

The lovely prints included in the collection are toasty and relaxing, and will blend with any decor. No matter what you make, be it a quilt, pillow or another item, you'll love the warmth added to your home!
