**Mama** always dreamed of a little white cottage with blue trim, one with a garden out back and the bustle of grand babies and chickens around her feet. When the time came, she bought that little cottage and set to work making it her own. After a fresh coat of paint brightened up the place, she hung the family picture on the wall and got something delicious in the oven. Those grand babies play out on the tree swing while their parents have something cool to drink and a rest on the porch swing. Happiness is here and you're always welcome. Come visit!
