

Pepper & Flax

by corey yoder

F A B R I C + L O V E = B E A U T I F U L

It seems all good things come in pairs - milk and cookies, burgers and fries, needle and thread, smiles and laughter, and, of course, one of my favorites – fabric and love.

To that list, I'm delighted to introduce a new pair to you – Pepper & Flax. This collection brings together two favorite colors – Yellow and Grey... with just a touch of green. Beautiful florals are mixed with a little bit of sweet and a little bit of vintage to provide the perfect ingredients for a wonderful project. Because as we all know, Fabric + Love = Beautiful.
