For binding: cut 6-21/2"x WOF

### Cutting your own 5" squares:

1/4 yard = 8 squares
 1 fat quarter = 12 squares
 1/2 yard = 24 squares
 3/4 yard = 40 squares
 1 yard = 56 squares

\*The number of squares and the number of light and dark fabrics in a charm pack varies with each collection. The "charm" of a charm quilt is the mix of fabrics and value. For the fabric requirements we are assuming charm square packs have 40-5"x 5" squares and an equal mix of light and dark fabrics. All that said, let's make a quilt!
