1 Half Square Triangles

(A) Select one Dark and one Light 6 1/2" square.

Layer squares, right sides together, *the Light on the top*. Following the 2" Star Singles directions, place the paper on top of the fabrics and pin. Sew on the dashed lines. Use a 50 weight thread and a shorter stitch length.

(B) Cut the triangles apart along the solid lines.

Do not remove the paper.

(C) Flip the triangles over so that the Dark print is on the top.

Press the half square triangle units open toward the Dark print. Trim the "dog ears" and remove the paper. One 2" Star Singles paper makes 8 identical half square triangle units.

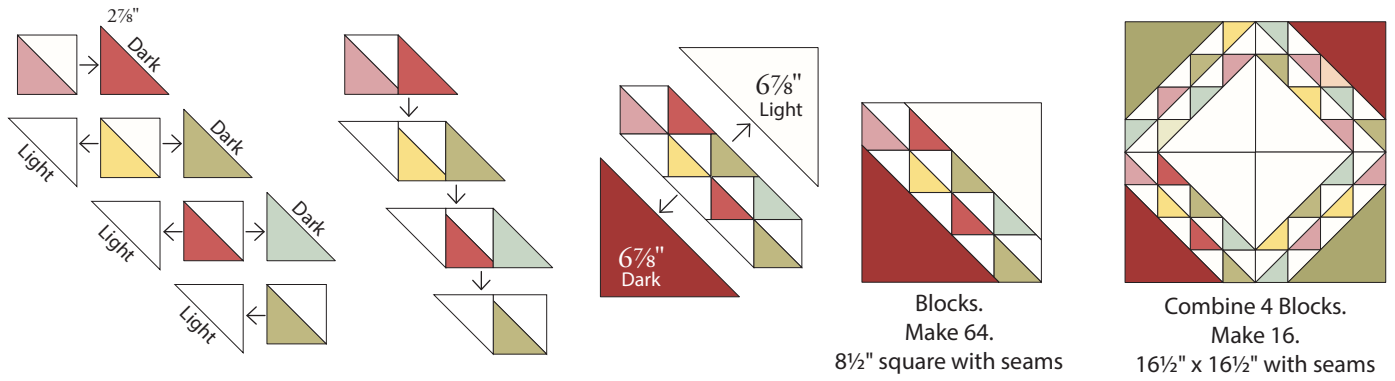

remove paper

1 sheet makes
8 half square
triangle units

Use 32 sheets of 2" Star Singles
paper to make a total of
256 half square triangle units.

2 Blocks: Combine 3 Dark and 3 Light $2\frac{7}{8}$ " triangles, 4 half square triangle units, 1 Dark and 1 Light $6\frac{7}{8}$ " triangle as shown. Make 64 Blocks. Combine 4 Blocks. Make 16.

3 Quilt assembly
