Quilt is 57"x65".

Quilter Basics

Read instructions before beginning a project.
All instructions include a $\frac{1}{4}$ " seam allowance
WOF=width of fabric.
22" measurement is approximate

Quilt Construction

- 1 Cutting the Flying Geese prints:
*Center and cut the following from the **length** of the fabric.*

Marine Flying Geese print

Cut 1-5"x35½"
1-5"x9½"
1-5"x7½"

Shade Flying Geese print

Cut 1-5"x35½"
1-5"x9½"
1-5"x7½"

Spectrum Flying Geese print

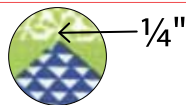

Cut 1-5"x30½"
2-5"x7½"
1-5"x4½"

Note:

Due to variables in the printing process, it may be necessary to trim the 3 Flying Geese rows ever so slightly **after** rows are assembled with accent fabrics.

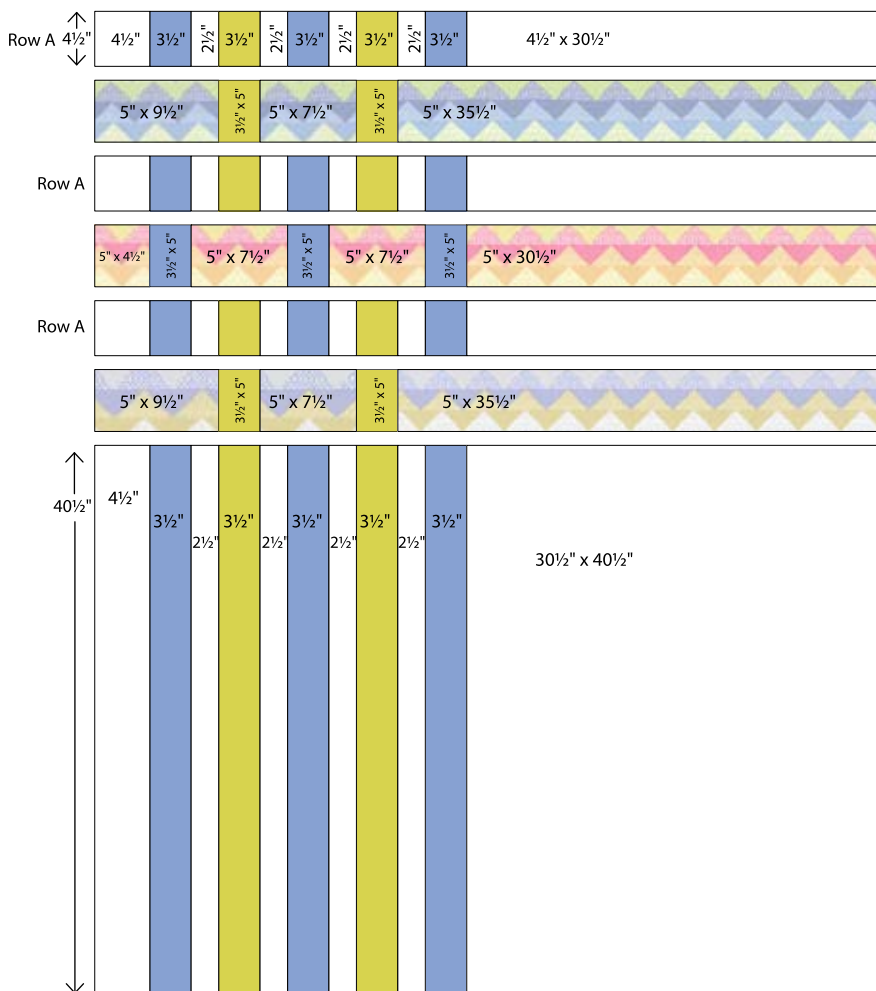

Measure and trim $\frac{1}{4}$ " beyond triangle peaks if necessary.

Your Flying Geese rows might measure slightly less than 5", but that is fine. It will shorten quilt only slightly.

moda

2 Assemble the quilt top in rows as shown. *Note: The measurements in the three Row As are the same.* Press away from the Background and towards the Flying Geese prints. Combine the rows, pressing towards the Flying Geese rows.

Stitch the strips together, sewing from opposite directions.

moda

3 Sew the 7-2½"xWOF Binding strips together.
Layer, quilt and bind. Enjoy!
