**A**s a child I lived in many towns, some in other countries, so I learned to embrace my new hometown quickly. I'd find my favorite shops, the best ice-cream parlor, and the awesome parks. Over time I settled in one place and it's home. I Love that I know the best places, I'm excited when new things open, and best of all I have great friends and neighbors in my hometown. My fabric line is celebrating our hometowns with a wonderful word print that lists all the awesome places we find in our town! I added a cute scattered flower for making out town beautiful, with lots of great pieces that work with so many projects. There are shades of cream like our picket fences and houses, deep navy for our lakes, wonderful turquoise skies, luscious green grass colors and lots of awesome reds! I can't wait to see what you do with my fabrics! If you would like to be added to my shop owner newsletter please send me an email to [pat@patsloan.com](mailto:pat@patsloan.com)
