

Olive's Flower Market

Lella Boutique

P.G. Wodehouse wrote that “flowers are happy things”. Imagine you’re living in a dreamy cottage with flowered wallpaper, lace curtains and a lovely garden where you can gather an armful of your favorite pink and white blooms. Perhaps you’re drawn into a quaint flower shop, the sort you’d find in Paris, with pink-striped awning, chalkboard signs and black-and-white tile floors. Or you can take a stroll through Olive’s Flower Market and enjoy the sweet blooms and sophisticated color palette of Lella Boutique’s new collection.
