

Needle & Thread Gatherings

PRIMITIVE GATHERINGS

My soul is fed with my needle and thread..." is one of my favorite stitching quotes because it fits me perfectly. Needle & Thread Gatherings was inspired by that line, and by a vintage print depicting a needle and a spool of thread.

Working with the tiny vintage prints that Primitive Gatherings' collections are known for and this timeless color palette, we've designed several quilts that will feed your soul. Many can be made larger simply by adding final borders, or make several mini quilts. All you need is needle and thread...
