

STACY IEST HSU

Santa Claus might be making lists and checking them twice but it isn't a secret as to who fulfills those lists. It's the elves! Without those cute little gals and guys, there wouldn't be anything to put in Santa's bags or fill stockings. The North Pole celebrates Santa's crew – the helpers who actually make Christmas happen, even down to a couple of penguins! It truly does take a village to make the holidays perfect!
