Never before have two fat quarters inspired so much fun. Pick two favorite fabrics and sew a clever ruffled pouch. Or an adorable fabric basket with ties. Or a handy drawstring ditty bag. Or . . . .

Choose from six patterns for cute projects, each of which can be stitched from two fat quarters. They’re all so fun to sew that designing sisters Barbara Groves and Mary Jacobson couldn’t stop making them—and you won’t be able to either! Flip through the pages for color combinations galore. From holiday prints to bright and cheerful candy colors to tried-and-true red, white, and blue, you’ll find so many color variations to spark your creativity.

Dip into your stash of fat quarters (or shop for more—we won’t tell) to make gifts for just about everyone on your list—including yourself!
