\*The number of squares and the number of light and dark fabrics in a charm pack varies with each collection. The "charm" of a charm quilt is the mix of fabrics and value. For the fabric requirements we are assuming charm square packs have  $40\text{--}5\text{''}\times 5\text{''}$  squares and an equal mix of light and dark fabrics. Fabric requirements are also given for fat quarters. From each fat quarter cut  $3\text{--}5\text{''}\times 22\text{''}$  strips then cut  $12\text{--}5\text{''}\times 5\text{''}$  squares. All that said, let's make a quilt!

# Charm Friday

**1** Two pieced nine patch blocks are used in this charm quilt. To make the units for the blocks, sew together 2–2"x5" dark rectangles and 1–2"x5" light rectangle. Press towards the dark rectangles. Make 75 strip sets. Cut this unit into 2" wide segments. Make 149. Sew together 1–2"x5" dark rectangle and 2–2"x5" light rectangles. Press towards the dark rectangle. Make 74 strip sets. Cut this unit into 2" wide segments. Make 148. Combine the units to make 50 of Nine Patch A and 49 of Nine Patch B.

**2** Use the 50 Nine Patch As, 49 Nine Patch Bs, 40–5"x5" dark charm squares, 40–5"x5" light charm squares, 36 setting triangles and 4 corner triangles to assemble the quilt top. Press away from the nine patches. Layer, quilt as desired and bind. ENJOY
