## Patchwork Pouch $2\frac{1}{2}'' \times 2\frac{1}{2}'' \times 6''$

### Supplies

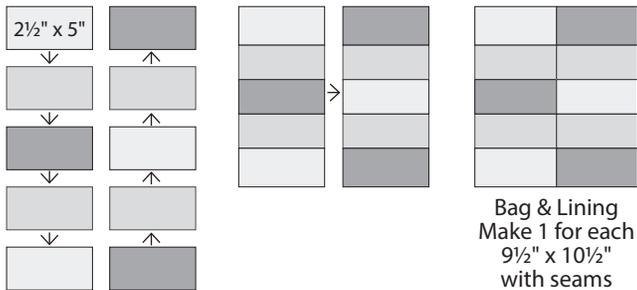

- Bag Front & Lining:** 20- $2\frac{1}{2}'' \times 5''$  rectangles
- 1-12" Zipper**
- mid-weight woven fusible interfacing:** 1- $9\frac{1}{2}'' \times 10\frac{1}{2}''$
- Grosgrain Ribbon** -  $\frac{1}{2}'' \times 5''$

### Construction (Use $\frac{1}{4}''$ seams.)

- Bag Front:** Select 10- $2\frac{1}{2}'' \times 5''$  rectangles for the Bag Front. Sew 5- $2\frac{1}{2}'' \times 5''$  rectangles into a row. Make 2 rows. Sew the 2 rows together.

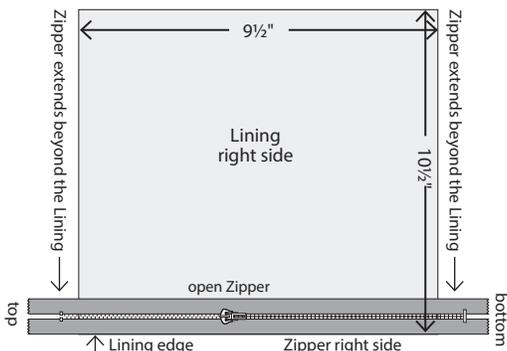

**Lining:** Using the remaining 10 rectangles, sew 5- $2\frac{1}{2}'' \times 5''$  rectangles into a row. Make 2 rows. Sew the 2 rows together.

*Fuse the interfacing to the wrong side of the Lining.*

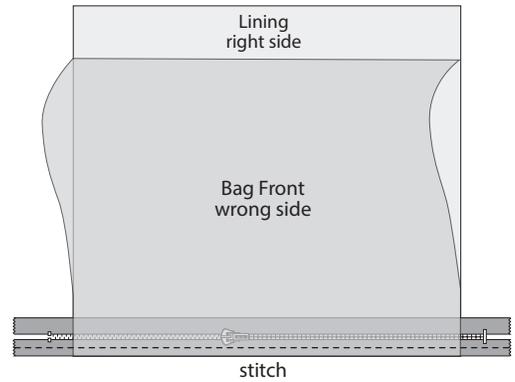

*The remaining illustrations will show the Bag Front & Lining as solid pieces for simplicity.*

- Zipper:** Open the Zipper. Center and layer the Zipper on the right side of the Lining.

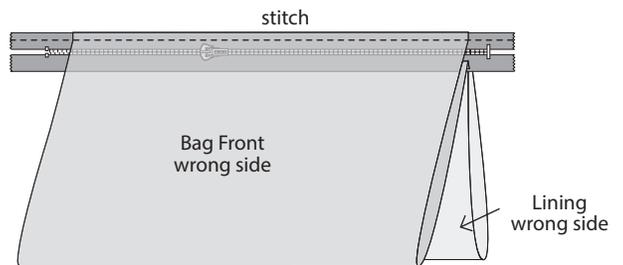

### Zipper continued:

Layer the Bag Front, right sides together, on the Zipper and Lining. Stitch. (*A Zipper foot makes stitching easier.*)

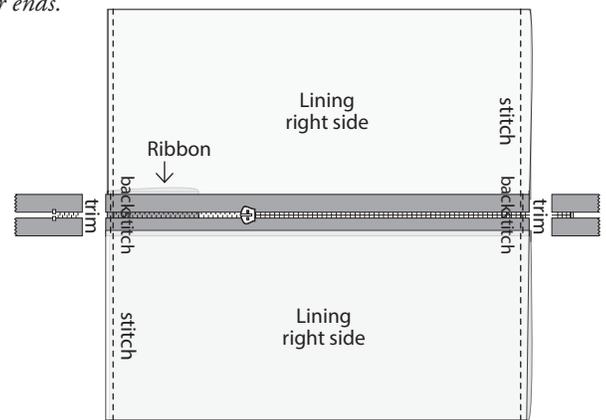

Repeat on the other side of the Zipper. Stitch.

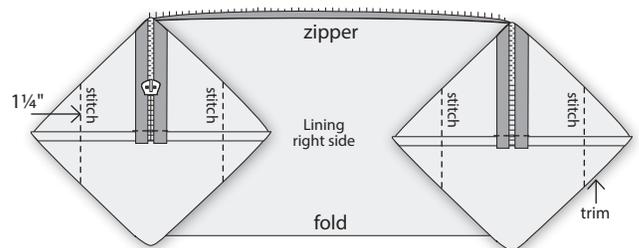

*Open the Zipper.* Turn the Bag Front and Lining right sides out. Push the Bag Front through the Zipper into the Lining. *Close the Zipper halfway.*

Fold the Ribbon in half. Insert the Ribbon between the Bag Front and Lining Front, the raw edges aligning with the Bag edge. Stitch the sides. *When you are stitching, backstitch over the Zipper ends.*

- Corners:** *The Bag is still Lining side out.* Sew all four corners,  $\frac{1}{4}''$  from the tip. Trim the corners  $\frac{1}{4}''$  from the seam.

- Turn the Bag right side out. *This Bag would also look great using 2 Layer Cake™ 10" squares for the Bag Front and Lining!*
