2. Arrange each monkey figure with bottom of shapes placed on the lower edge of the white print fabric and spaced evenly across rectangle. The finished size of the upper rectangle will be 7" x 21" and the lower rectangle 7" x 14". Take these measurements into consideration when spacing the figures.

Swatches Quilt Label

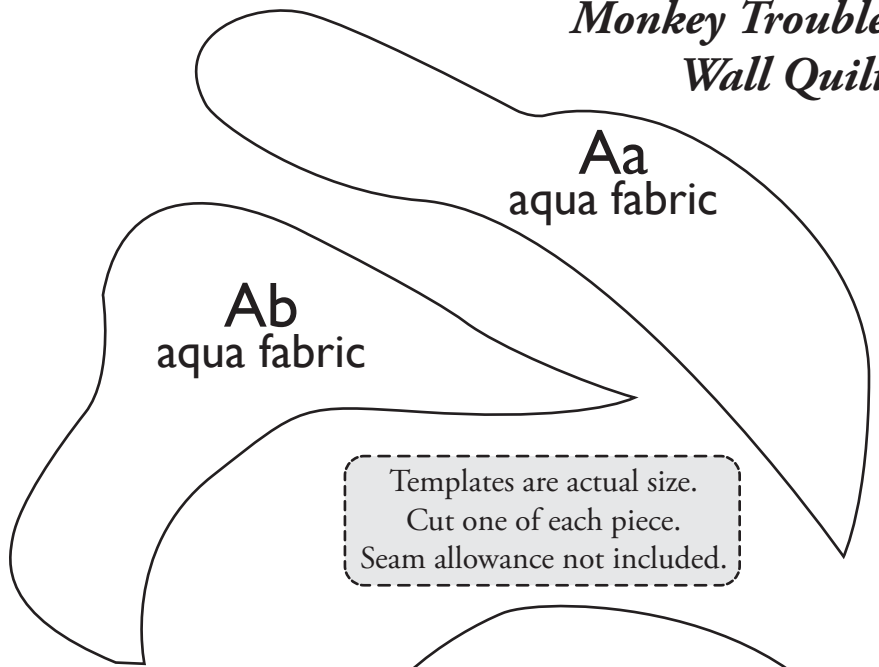

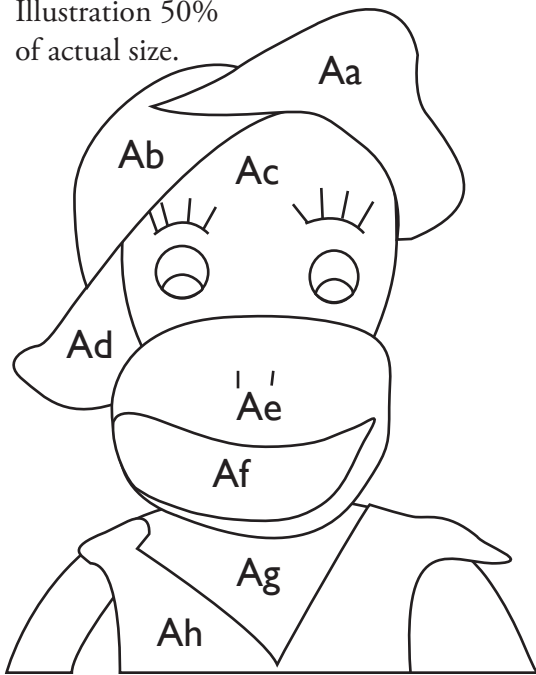

It is always a good idea to sign your quilts and give some information such as name, date and, if it is a gift, to whom it was given. We have included a pattern for a little quilt label made from (24) 2" swatches.

1. Sew 2 strips of four 2" swatches together. Sew 2 strips of eight 2" swatches together.
2. Cut a piece of muslin or a very light fabric from the collection used in the quilt, 6 1/2" x 9 1/2". Sew the 2 strips of 4 swatches to each 6 1/2" side of the center fabric. Press seams away from the center rectangle. Sew the 2 strips of 8 swatches to the top and bottom of the label.
3. Write your message directly onto the center fabric with a permanent fabric marking pen. Or use your favorite method of writing on fabric.
4. Cut a piece of muslin 9 1/2" x 12 1/2" for backing. With right sides together place the label to the backing, matching edges. Sew around the entire label leaving a 2" - 3" opening for turning. Clip corners, turn and press.
5. Hand stitch the opening closed and appliqué the label to the back of the quilt.
