Instructions:

1. Sew a 2 ½" x 1 ½" rectangle to one side of 36 mini charms. Press seams towards the charms.
2. Arrange mini charms in a pleasing grid, 9 charms across and 4 charms down.
3. Sew the charms plus rectangles together into 9-charm long rows, and you'll make 4 rows. Press seams towards the charms.
4. Sew a background rectangle to the right and left sides of your rows.
5. Sew the 1 ½" wide strips between the charm rows. Press towards the strips.
6. Sew the 2" strips at the top and bottom of the piece. Press towards the strips.
7. With right sides pinned together, sew the pieced front to the pillow back. Start just before the corner on a short side, and sew around the perimeter of the pillow cover, stopping just after your last corner. Back-stitch your start and stop points.
8. Turn the pillow case right side out and tuck the pillow form into the pillow.
9. Slip stitch the opening closed, and enjoy! As an alternative, you could put a piece of flannel behind your pillow front and quilt it before finishing the pillow (after step 6 above).

Yield:

One 14" x 28" bench pillow, perfect for a porch swing!
