Moderate

Hello new Bake Shop friends! My name is Katie, and I blog at [Good Golly Ginger](#). I'm happy to share my first quilt here on the Moda Bake Shop. I created the Sudoku quilt for my Aunt who is a retired math teacher and fellow quilter. Sudoku is a number game, a puzzle in the form of a grid of nine squares that are each subdivided into another grid of nine squares. The rules of the game can be found [here](#). Instead of using numbers for this game of Sudoku, I chose to use traditional quilt blocks to complete my grid. I used [Edyta Sitar](#)'s new batik line, [Sticks and Stones](#). This fabric is such a joy to work with. Any quilty math lover is sure to love this quilt.

Ingredients:

1 Fat Quarter Bundle in Sticks and Stones Batiks (or 25 fat quarters)
