

SUNBURST

A Moda Bakeshop Project by Lauren Terry - flyawayquilts.com

- FABRIC REQUIREMENTS -

For this pattern, you'll need:

- 12 fat quarters
- 1 yard sashing fabric
- 2 yards background fabric
- 2/3 yards binding fabric
- 2 yards of backing fabric

- CUTTING INSTRUCTIONS -

From each fat quarter, cut:

- 1 square measuring 6.5"
- 8 squares measuring 3.5"
- 8 squares measuring 3"
- 1 strip 2" x 8"
- 2 squares measuring 2.5"

From the neutral fabric cut:

- 96 rectangles 3.5" x 4"
- 12 strips 2" x 8"
- 48 rectangles 2" x 3.5"
- 31 strips 2" x 12"

- PIECING INSTRUCTIONS -

(Not all steps are pictured)

- Draw a diagonal line on all the 3.5" and 3" squares
- Take two neutral strips measuring 3.5" x 4" and two 3" squares and lay them out as shown in Fig 1.
- Sew along the line and trim at 1/4 inch
- Press one seam allowance down and one up to prepare for nesting
- Sew two units RST and bring them to your cutting mat
- With the seam to the left, measure 3.5" and cut off the excess (Fig 2)
- Press the strip open and repeat the process until you have 4
- Take the strip you just created and two of your 3.5" squares (Fig 3)
- Using the traditional flying geese method, take one square and place it on the strip
- Sew along the line you drew, trim at 1/4" and press the triangle down
- Repeat this process with the second triangle (Fig 4)
- Make 4 flying geese units

Figure 1

Figure 2

Figure 3

Figure 4

- Take the 2" neutral strip and the 2" strip that matches the middle point of your flying geese
- Sew right sides together and press the seam open.
- Cut the strip at 2" intervals until you have four units (Fig 5)
- Attach the 2" x 3.5" strip and iron the seams open to complete your corner unit (Fig 6)
- Repeat until you have 4 corner units

Figure 5

Figure 6

Figure 7

Figure 8

- Lay out your block with the 6.5" piece in the middle (Fig 7)
- Sew together in three vertical strips
- Iron seam allowance as shown in Fig 8
- Sew all three strips together and press.
- Repeat until you have 12 blocks.
- Finish with sashing, basting, quilting and binding.

Finished quilt measures roughly 54" x 40"
