

## Moderate

### Ingredients:

- 2 Jelly Rolls ("Varsity" by Sweetwater) You will use 59 strips total.
- 5 3/4 yards background (Moda Bella "Porcelain")
- 3/4 yard binding
- 5 1/2 yards backing

### Instructions:

Lets start by cutting our solid yardage. You will be cutting:

6 at 6.5" x WOF

18 at 2.5" x WOF

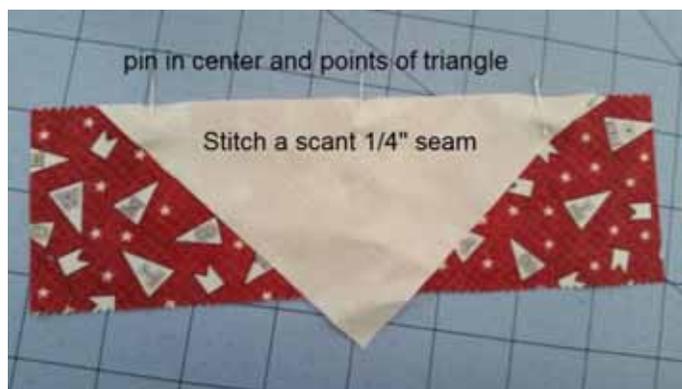

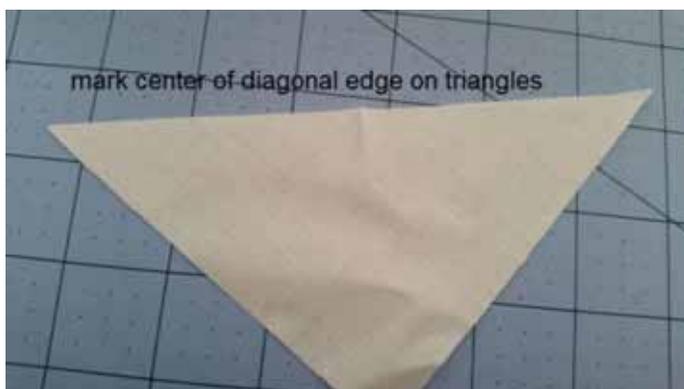

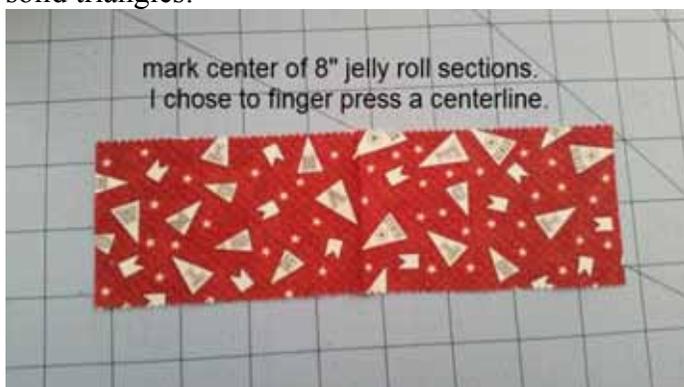

26 at 4.5" x WOF (6 for A blocks, 20 for B blocks)

Take 20 of the 4.5" strips and subcut them into 4.5" squares. Then, cut on the diagonal of each to create 320 triangles. You \*could\* get these pieces from 18 strips, but I chose not to use the parts with the factory fold, so I got 8 squares per strip (which equalled 16 triangles).

Next, separate out 32 Jelly Roll strips - and cut them into 8" lengths. The solid triangles and 8" Jelly Roll strip pieces will be for your "B" blocks.

To assemble your "B" blocks, start by marking the center of each strip and the center of the diagonal for the solid triangles:

Now, we can work on the "A" blocks. These will be made from strip sets. You will use 27 Jelly Roll strips. Working with the full WOF length, sew strip sets together as pictured below and press seams toward the prints:

Cutting the strip sets:

Quilt top assembly:

Assemble your quilt into 9 rows of 9 blocks. The corners will have the "A" (chain) blocks and will alternate with the "B" (lattice) blocks. Now, you can layer, baste, and quilt as desired!

Yield:

90" x 90" quilt, perfect for a queen size bed!
