

Moderate

Hello! My name is Nicola Dodd from [CakeStand Quilts](#) and it's so lovely to be here at the Moda Bake Shop sharing my very first recipe. I live in the UK, where we're still waiting patiently for some Spring sunshine. Luckily I've had Joanna Figueroa's beautiful *Strawberry Fields Revisited* collection to brighten up my sewing room. My recipe uses a Layer Cake - my favourite pre-cut - and is constructed from just two repeated blocks!

I hope you'll love making it as much as I did...

54" x 72" Finished Quilt

Ingredients:

Part of **1** Layer Cake or **36** 10" squares

1 yd neutral fabric for central blocks

1¼ yd fabric for border blocks

3½ yds fabric for backing

62" x 80" Cotton Batting

½ yd fabric for binding

Instructions:

Please read through the pattern before you begin, assuming a ¼" seam allowance and a fabric width (WOF) of 42". I would always recommend making a test block.

CUTTING:

1. From each of the **36** 10" print squares - **24** for your central blocks and **12** for your border blocks - cut **2** 5" squares and **4** 2½" squares (fig.1)

Fig.1

Please note: If you are a confident cutter - and have a nice, sharp rotary blade - you can cut three or four at a time

This will leave you with a 5" square (or a Charm Pack) to set aside for another project and I have a suggestion for using it at the end of the recipe...

2. From your neutral fabric, cut **6** 5" x WOF strips and subcut into **48** 5" squares

3. From your border fabric cut **9** 5" x WOF strips; then from **6** of those strips subcut **24** 5" x 9½" pieces and from the remaining **3** strips subcut **24** 5" squares

Original Recipe can be found at www.modabakeshop.com

Recipes are sometimes altered to correct errors. Please ensure that you have downloaded the most recent Printer Friendly Version before starting your project. If you find a mistake in this pattern, please contact modabakeshop@unitednotions.com.

This is an original pattern not intended for sale.

4. From your binding fabric cut 7 2½" x WOF strips

PIECING THE CENTRE BLOCKS:

5. For each centre block choose 2 sets of contrasting print pieces, each set comprising of a 5" square and 2 matching 2½" squares. You will also need 2 neutral 5" squares.

6. Draw or press a diagonal line on the back of the 2½" squares, pin one of each print, right sides together, on opposite corners of the neutral square

7. Stitch on the line, flip 'open' and press - to 'snowball' the corners - trimming away the middle layer of fabric and leaving the background cream fabric to keep your block nice and square (figs. 2 & 3). If you've chosen a darker neutral you may prefer to trim out this back layer too.

Fig. 2

Fig. 3

8. Assemble the block, as shown below, taking care to position the prints correctly (fig. 4). Press your seams in the direction of the arrows (>)

press open

Fig. 4

9. Your block should measure 9½" square

MAKE 24

PIECING THE BORDER BLOCKS:

10. For each centre block choose a set of print pieces, each set comprising of a 5" square and 2 matching 2½" squares. You will also need a 5" square and a 5" x 9½" piece of border fabric.

11. 'Snowball' one corner of each of the border pieces, as described in **step 7**

12. Assemble the block, as shown (fig.5), pressing your seams in the direction of the arrows (>)

13. Again, your block should measure 9½" square

MAKE 24

ASSEMBLING THE QUILT:

14. Lay out your quilt blocks - arranging the border blocks around the edge - then assemble the quilt centre (fig. 6), taking care to pin at the points marked ◊ *Alternate the direction* in which you press the seams in each row, so they will 'nest' nicely when you join the rows together.

15. Cut your backing into two WOF x 62" pieces, trim off the selvages and join together using a ½" seam, pressed open.

16. Sandwich the batting between the backing and the quilt top, baste, then machine or hand quilt. My lovely quilter Maureen {from the [Quilting Place](#)} used a scrummy Peacock Meander.

17. Join your binding strips end to end to form one long strip and press in half, *wrong* sides together, along its length. Trim away excess batting and background - taking the opportunity to ensure your corners are square - and bind the raw edge using your preferred method {and you can find my favourite method on the *Sketchbook* page of my website, [here](#)}.

Yield:

A 54" x 72" Lap or Baby Quilt *plus* a Charm Pack!

How about using that 'bonus' Charm Pack to encourage a friend to start quilting. My very first project was a Moda Bakeshop recipe: a pretty table runner designed by Camille Roskelley and made with a Charm Pack. And there are lots of other lovely Bakeshop projects that use a Charm Pack too. I'll be giving my *Strawberry Fields Revisited* Charm Pack away on [Instagram](#) so come and say hello!

Until then, this has been such fun!! Happy sewing,

Nicola x
