Moderate

Hi ya! I am super excited to be part of the Moda Bake Shop family. I'm Richy of SpazzyCat Designs and hopefully you know me from [Instagram](#) under the name RichyJr16 and for those of you that don't I have been quilting since I was 13 years old. Mixing and Matching Moda collections is honestly my favorite thing to do. I also love to needle turn applique and piece with small itty bitty pieces. Don't worry I kept the pieces large for this Mix & Mingle quilt but I will warn you... There are appliqued circles. And before you freak they are large and can be machine or hand appliqued. Without further ado, I present Mix & Mingle. This twin size quilt is made of 4 charm packs and yardage. I chose to mix BasicGrey's Saturday Morning with One Canoe Two's Hazelwood for the charm packs. I also added Zen Chic's Modern Backgrounds Luster for the background and accent. All three collections play beautifully together. Enjoy-
