Hi! This is Kristina Brinkerhoff from [Center Street Quilts](http://www.centerstreetquilts.com) and I'm happy to be back with you today sharing my Christmas Present block for the Countdown to Christmas sew-along!

I used fat quarters from Moda's upcoming lines Mama's Cottage (red and white striped) and Home Sweet Home (green print) plus some white background fabric for my Christmas Present quilt block, but scraps of your favorite red and green prints would work just as well!

This block finishes at 6" x 6".

INGREDIENTS

Red, white and green fat quarters or scraps

INSTRUCTIONS

Below you'll find a quilt block diagram labeled with all of the pieces you'll need, cutting instructions, and a step-by-step photo tutorial showing how to assemble the Christmas Present block.
