INGREDIENTS

- (2) 1.5" x 42.5" strips for top/bottom borders
- (2) 1.5" x 44.5" strips for side borders

NOTE: The fabric requirements were calculated to use background fabric for this border but feel free to make this border pop with a print! This is the first week that our borders are getting very close to WOF (width of fabric). You should cut (5) 1.5" strips of border fabric, remove selvages, sew strips end-to-end, and subcut the long strip into the lengths listed. This is the method that should be used to make borders from this week on.

INSTRUCTIONS

Lightly starch and press your completed medallion (center block + Round 1 + Round 2). Square it up to 42.5" x 42.5". Sew 1.5" x 42.5" strips to the top and bottom of your block. Press.

Sew 1.5" x 44.5" strips to each side of your block. Press seams, lightly starch, and then press the whole block one more time.

YIELD

The medallion quilt should measure 44.5" square.

Have a great day, Campers! We have lots more planned for you this week so get some rest after you get Border 3 on.
