

INGREDIENTS

I made a scrappy little house using three different red fabrics and two different neutral prints. You can easily cut the required red pieces from a single fat quarter for a more uniform look.

1 fat quarter of background fabric

1 fat quarter of red fabric (or 1 fat quarter and scraps from two additional red fabrics)

Scraps of neutral fabric for door and window

6" Block

From background fabric, cut:

- (1) 2 ½" x 1½" rectangle
- (1) 4" x 1½" rectangle
- (1) 1" square
- (2) 2" squares
- (2) 4" x 1" rectangles

From red print #1 (chimney), cut (1) 1" square

From red print #2 (roof), cut (1) 6½" x 2" rectangle

From red print #3 (house), cut:

- (1) 5½" x 1½" rectangle
- (2) 3" x 1½" rectangles
- (1) 3" x 1" rectangle
- (2) 1½" x 1¼" rectangle

From neutral print #1 (door), cut (1) 3" x 2" rectangle

From neutral print #2 (window), cut (1) 1½" square

12" Block

From background fabric, cut:

- (1) 4½" x 2 ½" rectangle
- (1) 7 ½" x 2 ½" rectangle
- (1) 1½" square
- (2) 3½" squares
- (2) 7½" x 1½" rectangles

From red print #1 (chimney), cut (1) 1½" square

From red print #2 (roof), cut (1) 12½" x 3 ½" rectangle

From red print #3 (house), cut:

- (1) 10½" x 2½" rectangle
- (2) 5½" x 2½" rectangles
- (1) 5½" x 1½" rectangle
- (2) 2½" x 2" rectangle

From neutral print #1 (door), cut (1) 5½" x 3½" rectangle

From neutral print #2 (window), cut (1) 2½" square

INSTRUCTIONS

The 6" and 12" blocks are constructed using the same instructions. Measurements for the 6" blocks are listed first with the measurements for the 12" block in brackets.

Make Chimney Unit

Sew the 1" [1½"] square of Red #1 fabric to the 1" [1½"] square of background fabric, with the red fabric on the bottom. Press towards the red fabric. Sew the 2 ½" x 1½" [4½" x 2 ½"] rectangle of background fabric to the left side of the unit. Sew the 4" x 1½" [7 ½" x 2 ½"] rectangle of background fabric to the right side of the unit. Press towards background fabrics.

Make Roof Unit

Take the two 2" [3½"] squares of background fabric. Draw a line diagonally across the back of each one. Lay background squares on the ends of the 6½" x 2" [12½" x 3 ½"] rectangle of Red #2 RST with the diagonal lines extending from the bottom corners inward. Sew on the lines. Trim ¼" away from the sewn line and press towards the red fabric.

Make House Unit

Sew the 3" x 2" [5½" x 3½"] rectangle of Neutral #1 (the door piece) to one of the 3" x 1½" [5½" x 2½"] rectangles of Red #3. Press towards the red.

Sew a 1½" x 1¼" [2½" x 2"] rectangle of Red #3 to either side of the 1½" [2½"] square of Neutral #2 (the window piece). Press towards the red. Sew the 3" x 1" [5½" x 1½"] rectangle of Red #3 to the top of the unit. Sew the 3" x 1½" [5½" x 2½"] rectangle of Red #3 to the bottom of the unit. Press towards the long red pieces.

Sew the window unit to the door unit.

Sew the 5½" x 1½" [10½" x 2½"] rectangle of Red #3 to the top of the unit.

Sew a 4" x 1" [7½" x 1½"] rectangle of background fabric to each side of the unit.

Join Sections Together

Sew the three units together to form the block.

This block finishes at 6" or 12" square.

I hope you're having fun counting down to Christmas the quilty way.
