INGREDIENTS

1 Charm Pack with matching Layer Cake®, {Spotted Fabric by Zen Chic}
4 yards backing fabric {1660 90 number optional}
1/2 yards binding fabric {1660 90 }

INSTRUCTIONS

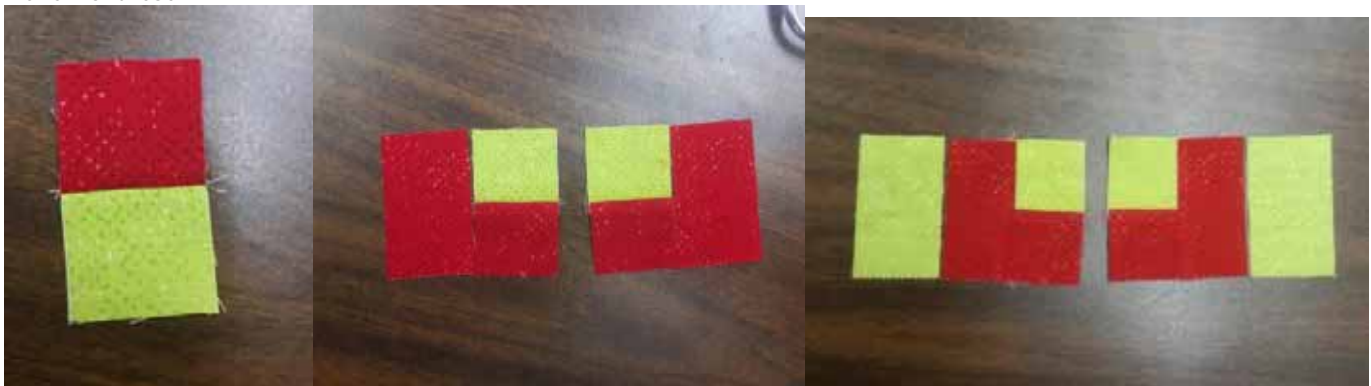

Place each charm square with its matching layer cake square. Mix and match your matching layer cake/charm square pairs into sets of two so you have 21 sets of two layer cake/charm square combos.

Following the diagram below take a set of two layer cake squares and cut as shown.

Take the corresponding charm square set and cut as shown.

From the cut set sew a 1 1/2" square from one fabric and sew it to a 1 1/2" square of the other fabric. Make 2 of these.

On the left side of one of these units sew a 1 1/2" x 2 1/2" rectangle so that it matches the bottom square. On the unit sew a 1 1/2" x 1 1/2" rectangle to the right side so it matches the bottom square.
