

INGREDIENTS

Fabric A	(13) 3.5" squares. (12) 1.5" squares. (6) 2" squares
Fabric B	(1) circle cut from Template
Fabric C	(3) 1.5" squares. (6) 2" squares

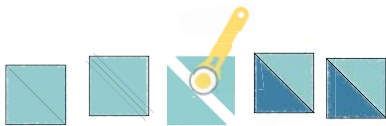

INSTRUCTIONS

MAKE STARS

1 Draw a line down the center, from corner to corner on (6) background 2" squares. Draw another line about 1/8" away on both sides of the first drawn line.

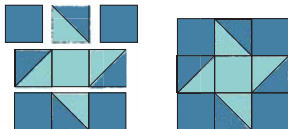

NOTE: to avoid bulk on tiny pieces, use a smaller seam allowance.

2 Place one background and one blue square, right sides together, and stitch on both sides of the center drawn line. Cut each block using the center line as a guide. You will now have two squares.

3 Press and trim to 1.5" square. Repeat to make 12.

4 Stitch all three rows together to form a star. Repeat two more times for a total of 3 stars.

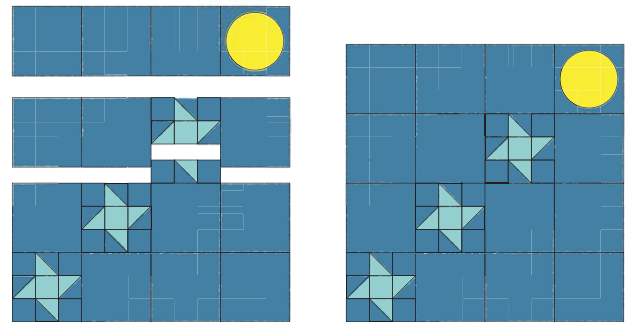

MAKE MOON BLOCK

1 Applique moon piece cut from template onto 3.5" background square, using your favorite method. The moon finishes at 2.5".

ASSEMBLE BLOCK

Join rows together.

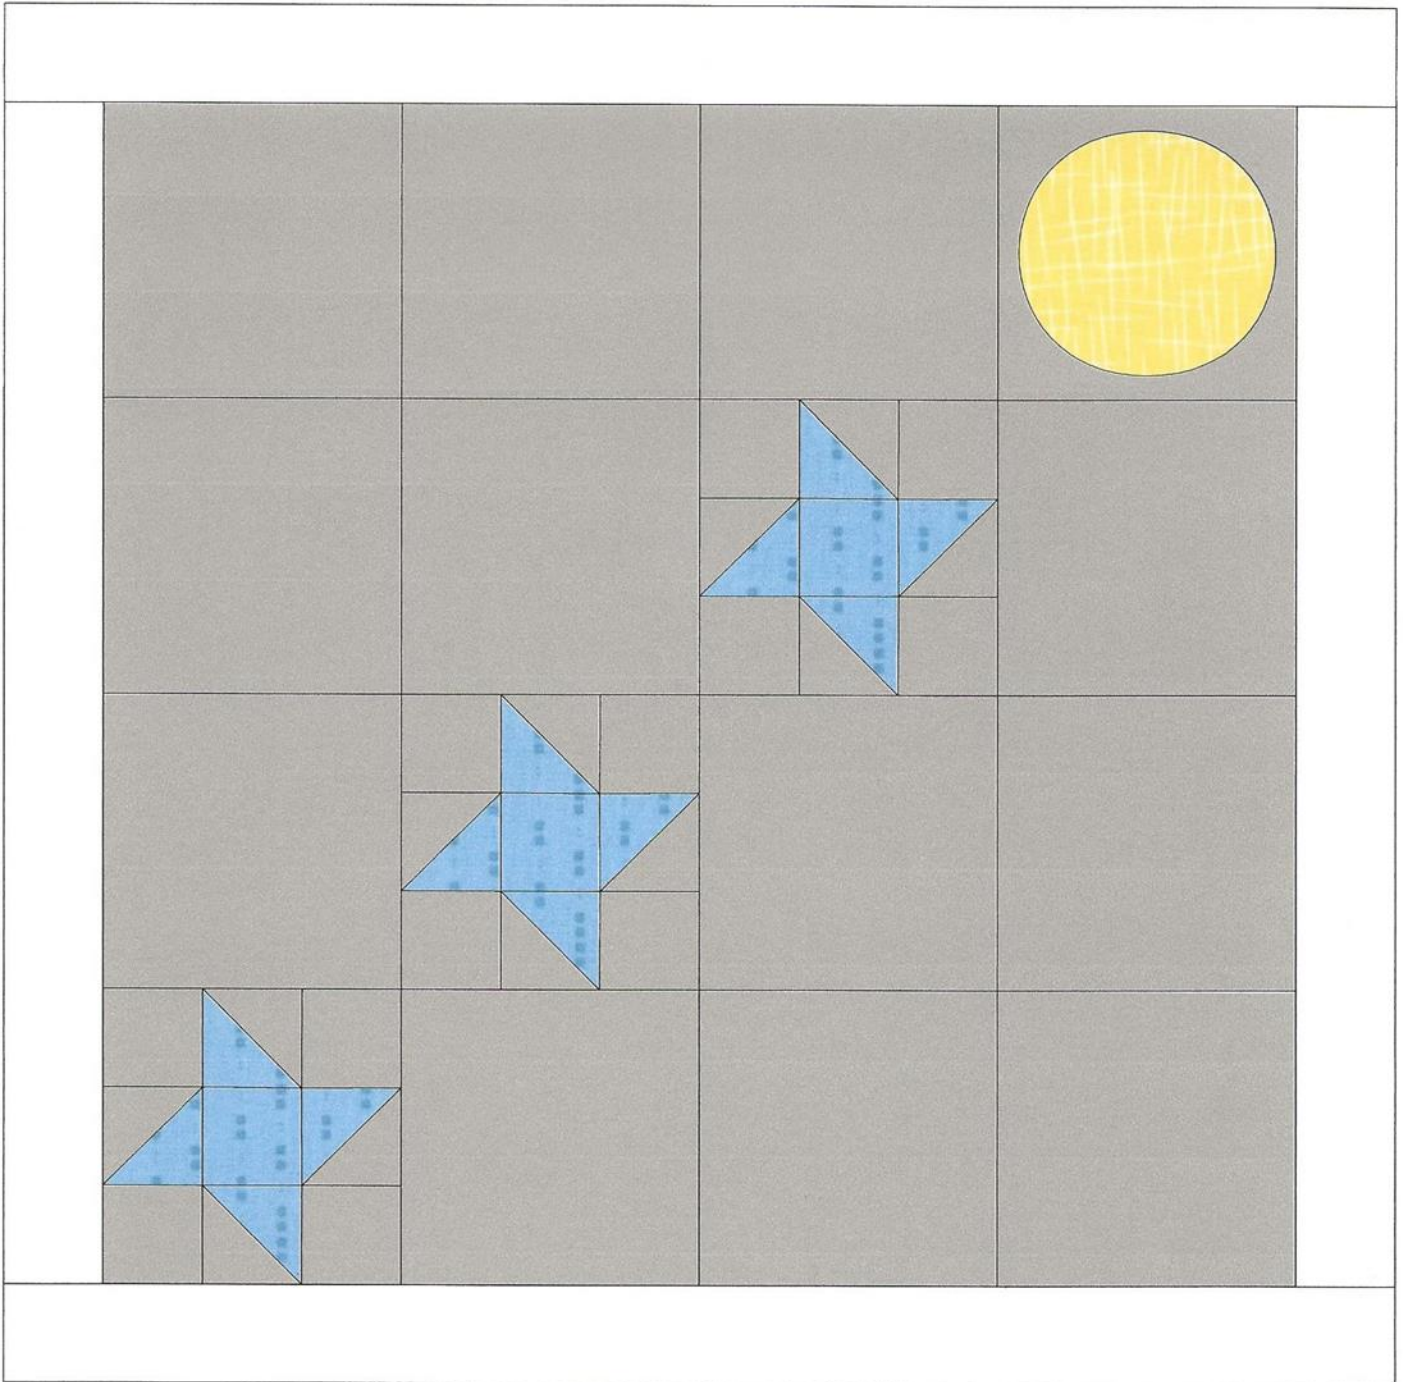

This block measures 12.5" x 12.5" unfinished.

Shoreline Night Sky
