

## INGREDIENTS

	24.5 inch	18.5 inch	12.5 inch
<b>Fabric</b>	(24 inch finished)	(18 inches finished)	(12 inches finished)
	A - (8) 2.5 x 4.5" Rectangles	A - (8) 2 x 3.5" Rectangles	A - (8) 1.5 x 2.5" Rectangles
	B - (4) 5" squares [HST]	B - (4) 4" squares [HST]	B - (4) 3" squares [HST]
<b>Background</b>	C - (4) 5.25" squares – Cut diagonally twice [for fancy flying geese]	C - (4) 4.25" squares – Cut diagonally twice [for fancy flying geese]	C - (4) 3.25" squares – Cut diagonally twice [for fancy flying geese]
	D - (8) 2.5" squares	D - (8) 2" squares	D - (8) 1.5" squares
<b>Red</b>	B - (8) 5" squares – Cut diagonally once [for fancy flying geese]	B - (8) 4" squares – Cut diagonally once [for fancy flying geese]	B - (8) 3" squares – Cut diagonally once [for fancy flying geese]
	B - (4) 5" squares [HST]	B - (4) 4" squares [HST]	B - (4) 3" squares [HST]
	E - (8) 3 3/8" squares [for fancy flying geese]	E - (8) 2 5/8" squares [for fancy flying geese]	E - (8) 1 7/8" squares [for fancy flying geese]
<b>Green</b>	F - (2) 1.5 x 6.5" rectangles	F - (2) 1.25 x 5" rectangles	F - (2) 1 x 3.5" rectangles
	H - (2) 1.5 x 8.5" rectangles	H - (2) 1.25 x 6.5" rectangles	H - (2) 1 x 4.5" rectangles
	D - (8) 2.5" squares	D - (8) 2" squares	D - (8) 1.5" squares
<b>Pink</b>	G - (1) 6.5" square	G - (1) 5" square	G - (1) 3.5" square

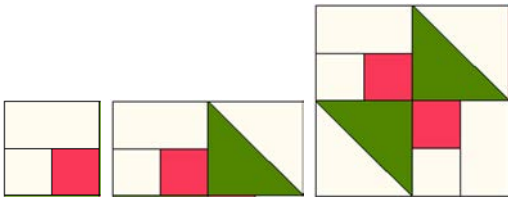

## INSTRUCTIONS

### Making the Corner Units

**Step 1:** Begin by making 8 half square triangles using (4) B green squares and (4) B background squares.

Draw a line diagonally on the wrong side of the background fabric. Place right sides together. Sew 1/4 inch on each side of the down line. Cut in half along the down line. Press open to the darker fabric.

**Step 2:** Place a pink square D on top of a background square D, right sides together. Press open to the darker fabric.

Sew a rectangle A to the bottom of the two square D's you have sewn together in the previous step. Make 8.

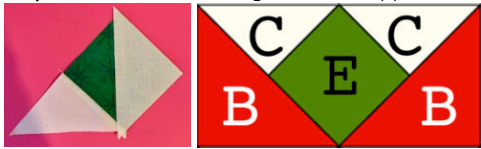

**Step 3:** Sew the three patch unit created in step 2 to a half square triangle created in Step 1 as shown in the illustration below ( make 8):

**Step 4:** Sew two units from Step 3 so that the points of the half square triangle meet as show in the illustration below ( make 4):

### Fancy Flying Geese:

**Step 1:** Begin by sewing one of the triangles C to the corner of a square E, Press open.

**Step 2:** Sew the next triangle C to the opposite corner of the units from Step 1, as show below. Press Open:

**Step 3:** Sew a red triangle B to the side of the Unit created in Step 2. Press Open. Repeat and sew another red triangle B to the opposite side. Press open. See the illustration below:

Trim the fancy flying geese unit as follows:

24 inch block - trim to 4.5 x 8.5 inches

18 inch block - trim to 3.5 x 6.5 inches

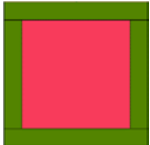

12 inch block - trim to 2.5 x 4.5 inches

### Center Square:

**Step 1:** Sew a rectangle F to each side of square G. Press Open.

**Step 2:** Sew a rectangle H to the top and bottom of the unit formed in Step 1.

The Center of the block should look like the illustration shown below:

### Block Assembly:

Assemble all the units created in the previous steps as shown. Press
